

# MyWorkplace People Manager Quick Reference Card – Sickness Entry

## An introduction to sickness entry

You can enter sickness absences by first selecting 'My People' on the Homepage in People Manager.

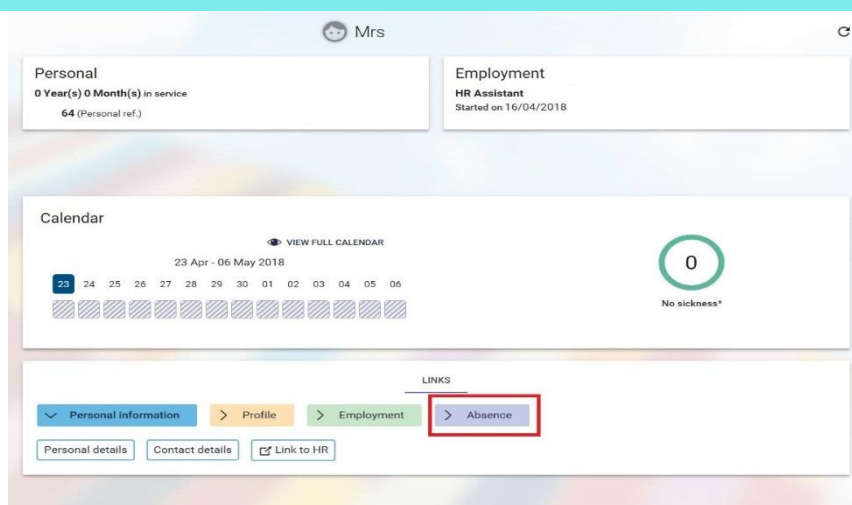

## Selecting your staff member

Your list of direct reports will appear with their title and full name.

Clicking once on the name against the icon will return their personal dashboard

## Navigation while in Absence

From the personal dashboard, please click the 'Absence' link at the bottom.

A number of common navigational links for 'Absence' will appear.

To enter a sickness absence, select

[Enter a Sickness](#)

## Entering sickness periods

You will be presented with the following screen.

To enter a sickness period, choose:

- Part day
- Full day
- More than one day

Choose enter the 'Absence Start' and 'Absence End' to enter absence dates.

Finally, choose the absence reason that corresponds with the conditions from the list below. Press save to update the record.
