

Accessing NHS OpenAthens journals in PubMed

Introduction

To access articles available through OpenAthens when searching PubMed, a customised version of PubMed can be used, or if you have a 'My NCBI' account, you can set preferences from there. If you do not have an account, one can be created here:

<https://www.ncbi.nlm.nih.gov/account/register/>

Customised PubMed link

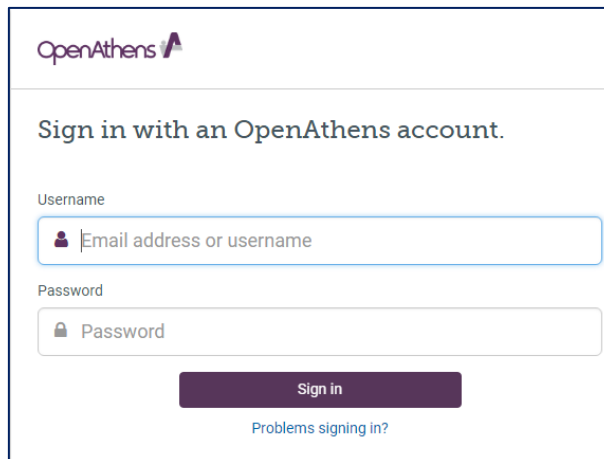

1. Use the custom link for St George's NHS OpenAthens to access PubMed:
<https://www.ncbi.nlm.nih.gov/pubmed/?otool=igbsgnhslib>
2. Carry out your search as normal. When you click to view the record for an individual article, under 'Full text links' you will see a St George's Library icon. Click the icon to check availability:

3. When available, a page with a link to the article will be displayed. Click Read the full text:

4. Enter your OpenAthens username and password if prompted:

The image shows the OpenAthens sign-in interface. At the top is the OpenAthens logo. Below it, the text "Sign in with an OpenAthens account." is displayed. There are two input fields: "Username" with a placeholder "Email address or username" and a person icon, and "Password" with a placeholder "Password" and a lock icon. A dark blue "Sign in" button is centered below the fields. A link "Problems signing in?" is located below the button.

5. If the article is not available through OpenAthens, a form to request the article by interlibrary loan will be displayed:

The image shows a "Request an article" form. At the top, it says "Request an article" and "The article details below will be sent to your library, please make sure they are all correct and enter your name and email at the bottom." The form is divided into sections: "Article details" with fields for "Article title" (containing "Functional Outcomes After Sauve-Kapandji Arthrodesis."), "Authors" (containing "Giberson-Chen CC, Leland HA, Benavent KA, Harper CM, Earp BE, Rozental TD,"), "Journal" (containing "The Journal of hand surgery"), "Year" (containing "2020 Jan 13"), "Volume", "Issue", and "Pages". Below this is a section "Your request will be sent to this library. If this is not correct, please contact your library" with fields for "Library" (containing "St George's, University of London"), "Email" (containing "intloan@sgul.ac.uk"), and "Contact number" (containing "0208 7255433"). The final section is "Your details" with fields for "Your name" (placeholder "Enter name (required)"), "Your email" (placeholder "Enter email (required)"), and "Phone number" (placeholder "Enter phonenumber (not required)").

Request an article

The article details below will be sent to your library, please make sure they are all correct and enter your name and email at the bottom.
