What is Student Recruitment?

The Student Recruitment (SR) team at St George's is committed to providing accurate information, advice and guidance to prospective students and their support networks.

The SR team delivers a wide range of activities to allow potential students to make informed choices about their future.

What do we do?

- ▶ Often the first point of contact on the student journey.
- ▶ Represent SGUL at events (internal, external, in-person and online).
- ▶ Objective is to create awareness and interest in the University and the courses we offer.
- ▶ Understand and deliver accurate information about courses to prospective students, general information about the University and what it's like to be a student at SGUL.

Who do we work with?

- ▶▶ Prospective Students (16 years and over)
- ▶▶ Schools and Colleges
- ▶▶ Partnerships with external agencies (UCAS and UK University Search)

UCAS

UK university
search

How can you get involved?

The Student Recruitment team requires assistance with various events, such as:

- Open Days
- Offer Holders Days
- Clearing
- Course Enquiries support
- Office support
- UCAS events
- School/ College visits (talks/workshops)
- Taster lectures (for prospective students)
- Virtual activities

Virtual Events

Learn presentation skills and share your knowledge and experience, as you represent your course and the university.

Webinars

Workshops

Talks

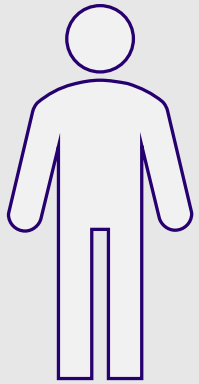

Learn teaching skills and use your MMI experience to help students prepare for the university interview process.

- Data entry
- Other

Clearing Agent Roles

St George's
University of London

Become specialist

CLEARING IS NOW OPEN!
WWW.SGUL.AC.UK/CLEARING

A woman in a dark blue police uniform with a crest on the chest stands against a green background with dark blue circles. She has her hair in a braid and is smiling slightly.

Become a Clearing Agent

We will soon be advertising Clearing Agent roles for Summer 2023!

Clearing will be running between July and September 2023 (specific dates tbc)

- Every year we recruit Student Ambassadors as Clearing Agents to help us run our Clearing project.
- Provides the opportunity to earn money over the summer.
- Paid training (equivalent to 2-3 days).
- 3 compulsory working days (additional shifts allocated to those available for other dates).

We are looking for ambassadors who are **enthusiastic about SGUL**, want to **gain experience** in various teams and who can work well both **independently and as part of a team**.

What UG courses do we offer?

- Biomedical Science, BSc/MSci
- Clinical Pharmacology, BSc
- Diagnostic Radiography, BSc
- Graduate Entry Medicine
- Healthcare Science, BSc
